THE PF JONES TRADE ACCOUNT

After high demand, we have created a trade accounts service so we can continue giving you the best service and products available on the automotive market. There are a few benefits to a trade account with PF Jones...

30 Day Credit / Cash Account

As a PF Jones trade account holder, you won't have to pay for your products until 30 days after you purchase them. If you open a cash account, you have all the benefits of a trade account, but you can pay upfront with cash or card.

Fitting Service

As a trade account holder, you can benefit from our automotive fitting service which ranges from locks to light bars. We can supply and fit our entire product range for you at any of our branches.

Our Stock

We are proud of our high stock levels which we always aim to keep consistent, we aim to always make sure you can get the products you need. Our in-stock products can be dispatched the same day from our various warehouses in the North West. We have the largest range of tow bar stock in the UK and the widest variety.

Same Day Delivery

If you are in the regions within our van delivery service, you can benefit from same-day delivery on any of our in-stock products. If you order before 9 am Monday to Friday, we will prioritise your order for same-day delivery. You can order before 3 pm for next day delivery Monday to Friday.

Dedicated Customer Service

We have a dedicated line for trade account holders that is open 5 days a week, Monday to Friday. To call this line directly call 0161 872 4755 (Ext.501).

To make sure you get the best possible service, we have a team of technical experts for all tow bar related products. This team have years of on the job experience, so are fully equipped to answer your questions and assist with fitting tow bars and electrics.
